Appl. No. 10/783,264

**Petition for Acceptance of an Unintentionally Delayed Claim for Priority
under CFR § 1.78(a)(3)**

This is a petition to accept an unintentionally delayed claim under 35 U.S.C. 120 the benefit of a prior-filed application.

The reference required by 35 U.S.C. 120 and paragraph (a)(2) of CFR § 1.78 to the prior-filed application was made in a previously filed amendment and is made again in the enclosed amendment, which amendment corrects a typographical error in another part of the amended paragraph.

The surcharge set forth in CFR § 1.17(t) was paid previously.

This is a statement that that the entire delay between the date the claim for priority made in this amendment was due under paragraph (a)(2)(ii) of CFR § 1.78 and the date the claim was filed was unintentional.

Respectfully submitted,

ROBERT M. HUNTER PLLC
